Please make dues payable to Project SHARE and send to:		Project SHARE 14 Boynton Street Eastport, ME 04631	

I subscribe to the principle objectives of SHARE:

1. Conserve and enhance Atlantic salmon habitat and populations
2. Encourage the voluntary participation of area landowners and businesses, local, state, and federal agencies, academia conservation organizations and other interested parties.
3. Support cooperative resource management, research and educational activities that will enhance the healthy functioning of riverine ecosystems.
